

# Essential Freight Systems

Essential Freight Systems is the asset based sister company of "Innovative Logistics". Essential also has the capabilities of providing full truckload service to all 48 states and Canada. We provide ourselves on our personalized touch that is second to none in the industry. We also pride ourselves on hiring high quality professional drivers in order to ensure the safety and delivery of your freight. We back that up by our exceptional safety record as well as a very low driver turnover rate. Customer service and satisfaction is our #1 priority.
